The king of glory wrote the kindest story  
And saved a wretch like me  
The Prince of heaven bled out redemption  
Spoke forgiveness, made me free

All my debt You paid in full  
and I can't say enough, I'm grateful  
Nothing here can separate us,  
and I can't say enough, I'm grateful

The Lord of mercy choosing to pursue me  
Clothed himself in flesh  
This gracious offering  
Felt the weight of suffering  
It was finished, on Calvary
